re: Covid-19

In view of today's announcement by the Prime Minister that New Zealand is moving to a lockdown in 48 hours a decision has been made by the members of the Trust Board and the Management of the Village to **LOCKDOWN the ONSDORP VILLAGE and THE CARE CENTRE.**

This means that **No visitors, both External and Internal** (other than for exceptional circumstances approved by the General Manager and/or Clinical Manager) will be permitted into the Village or the Care Centre.

Thank you for your co-operation during these exceptional and challenging circumstances, to help keep our residents and staff safe.
