Hi all,

### Update on new street line marking in Village

Hanover Line-marking Services were called back on 2 further occasions to redo some street lines/arrows where the line marking paint had not gripped properly and the paint had come off. After further consideration by members of the Works Committee some past / new yellow lines will now be removed to ensure maximum parking spaces for residents and visitors.

### Installation of new furniture on Beatrix Pavilion verandah.

The 6 new stylish Keter Julie Tables and 4 new Cain chairs were installed in the covered deck area at the Beatrix Pavilion. We have already had positive feedback from residents. The Maintenance Coordinator assembled the 6 tables and then spaced them out in the covered deck area.

### Latest update on Villas sold

Villa 24 has sold and will now settle on Friday, 30th May 2025. The refurbishment of Villa 20 has now been completed and the Trust Board has approved photos to be taken and they will be sent to prospective buyers on the waiting list.

### Village footpaths and road paving

Ongoing monitoring of footpaths and road paving throughout the Village to ensure any potential trip hazards are repaired by external contractor Robert Hindell Landscaping. Narrow pathways or retaining walls will also be monitored and repaired/replaced as required.

## A day with Charlie — our resident's cat

After a great sleep with her mum Anke, Charlie heads out to the main lounge to chill. It can be a cuppa with everyone or just sitting and relaxing. During the day she can be found checking in with the laundry, cleaners or even making sure the Registered Nurse on duty doesn't need a helping paw. Then it's off to activities—a bit of Housie goes down a treat. Always something to lick her lips for—and the residents are always pleased to see our Ons Dorp cat, Charlie!
