Villa Sales Update

The full refurbishment of Villa 63 (which had a difficult layout) is currently underway by Bryce Carters team and is expected to be completed in approx. October/November 2025, before it can be sold. Villa 20 has a buyer who is in the process of selling their house.

Work on Village Drains/Sewage Lines

As previously reported we are now waiting for a detailed quote from Drain King Ltd for any work that needs to be done, as result of the CCTV camera work on the Village drains/sewage lines. This quote will go the September meeting of the Works Committee for a recommendation the Trust Board for approval. The Village is being proactive under its 10 Year Maintenance Plan to get this work done now before any such problems with the drains/sewage lines may deteriorate further.
