MID WINTER *Dinner*

31 July, 2025

We had a full house for our Mid-Winter Dinner on July 31. Even with five last-minute cancellations due to illness, we still welcomed an impressive 90 residents, including five of our outside members.

We were once again entertained by the wonderful duo **The Sounds of Europe**, who, as always, hit the right note and got many feet on the dance floor.

The food, served by **One Sip**, was outstanding and plentiful. Richard and his team did themselves proud and received well-deserved applause. Even the residents who were unwell were not forgotten — their dinners were kindly delivered by their lovely neighbours.

The tidy-up afterwards was completed in no time, thanks to all the extra helping hands.

*Here's to another wonderful evening in

Village Happy Hour Music, Dancing and Smiles

Last Friday evening we had our monthly village gathering in the hall. Attendance was a bit lower than usual, maybe because of the wet and windy weather, but those who came had a really lovely time.

The atmosphere was warm and friendly, with villagers chatting and catching up over drinks and a few tasty snacks. Our entertainment for the night was the very talented Megan Johnstone, a singer with a beautiful voice and a smile that lights up the room. She sang many well known songs and soon had villagers up on the dancefloor, tapping toes and swaying to the music.

It was wonderful to see friends laughing, dancing, and enjoying each other's company. Nights like this remind us why our village is such a special place.

A big thank you to all the volunteers and the committee who helped organise the event, set up the hall, serve the refreshments, and clean up afterwards. Without your hard work, evenings like this would not be possible.

We look forward to seeing even more of you next month – and hopefully the weather will be kinder to us!

Deadline for Dorpskrant
24th of the month.

Hi de Hi villagers

After being away for nearly 7.5 weeks in Bali, it's great to be back home again. We escaped the cold weather and at the same time were able to help needy families in Bali, as well as continue our involvement with an orphanage there.

What a joy it is to return and see our village looking absolutely stunning and so well cared for. A big thank you to everyone who keeps it that way. It has also been a very busy month here with two AGM's, a lively happy hour, and many more events and activities that have kept the community spirit strong.

I'm pleased to let you know that I will continue for another year as President of the Society Committee, helping to organise the programme of events for the coming year. At the same time, I want to share that this will be my last year on the committee, as Rein and I have decided to take longer overseas breaks in the future.

For now, I'm looking forward to bringing together a varied and enjoyable programme for everyone in the village. Thank you all for your support, and remember, let's take care of each other.

Warm regards,

Margie van Staaldhuizen

The Trust Board AGM was held on the 28th August and Joop Hageman pictured above with Thea Hageman was presented with a basket of goodies for services as the Chair.

Society AGM Held on 19th August

On Tuesday 19th August at 2pm the Society held its Annual General Meeting, with 52 villagers present. The meeting was opened with a warm welcome from the President, who also acknowledged the presence of Mr. Gary Williams, General Manager.

All current members of the Society agreed to stand for another year. As there were no new nominees, no election was needed. The President thanked everyone for their attendance and support, while Mr. Williams expressed his appreciation to the President and the committee for their hard work and dedication to the good of the villagers. Karin Verbeek was presented with a basket full of goodies from the Dutch shop, as appreciation for all her hard work. Karin has accepted to do the audit again next financial year.

During general business a comment was made and the President thanked the villager for sharing. A request was also made for villagers to consider joining the committee, as there is space for one more member, but no one came forward at this time.

At the close of the meeting, afternoon tea was served. The refreshments had been bought at Costco, which saved more than half the cost compared with catering. This was not only a great saving for the Society but also showed the great effort of the committee in managing resources wisely.

The meeting was marked by good spirit and a sense of community, with thanks to all who attended and supported.

We were sad to farewell Rein at a very lovely memorial service on Monday 18 August at Morrisons Funeral chapel, Henderson.

Rein was born in Indonesia, and had a privileged life until the Japanese occupation, where like many other Dutch folk he was interned with his family during the war. Following the end of the war he moved with his family to The Netherlands where he started primary school, aged 11, and in the same class as Petra. So they knew each other very well before they married many years later in NZ, and had a long and happy married life together. They were blessed with two sons Eric and Hank.

At this service - Petra, their son Eric, a granddaughter Jessica and other old friends spoke of his joyous approach to life, his jokes, love of music, his hard work ethic, his twinkly eyes, love for his grandchildren, and his spiritual beliefs - in a very loving way. As a boat builder, Rein had a great love for boats and for sailing them. He will be missed by many. A wonderful final tribute came from the Rutherford College Kapa Haka group who sang and performed a haka for this very special man.

Rest in peace Rein, you leave many happy memories. Eirene

CONGRATULATIONS

Happy Birthday to **Trudy Bouwmeester**, who celebrated her 90th birthday on 21 July. During our midwinter dinner Margie van Staalduinen presented the certificate of **OBN (Over Bloomin' Ninety)** as well as a gift voucher to be spent in the Ons Dorp village shop.

Market in the village

The Market in the village has been going for many years, it has been impossible to find out, when the start date was. We do know that it's been going for more than fifteen years. Many villagers and outside Society members visit the Market every last Friday of the month. We would like to see more people, as this Market is for every villager. The proceeds go to the Society. This helps the society to organize Happy hours, coach trips and dinners throughout the year. So you see it's important to support the Market.

Many thanks to all the volunteers that are there every Market day, to set up, sell and tidy up again, serve coffee, sell tickets, sell in the shop, etc., etc. Too many to name.

For the new villagers that have not been able to get to the Market yet, here are some of the goods that are sold. Vegetables in jars and cans, soups, spices, and a great assortment of biscuits. There are tables with knick-knacks, craftwork, with very nice presents for little ones. The cheese man, also the herring man with witlof (chicory) and of course herring (a real Dutch treat for many.) There are freshly deep-fried beef croquettes a real treat. You can test your luck by buying a few tickets in the raffle. To finish this off, coffee or tea are served for free. So come to the Market, have a look, do some shopping, have a cuppa and a chat with the people around you.

3 Steps for Life

Lifesaving Skills with Lindsay Roberts

Last month in the Pavilion, 42 villagers gathered for an important and very educational presentation by Lindsay Roberts of St. Johns.

Over the course of an hour, Lindsay introduced the **3 Steps for Life programme**, designed to give New Zealanders the skills and confidence to take action when someone suffers a cardiac arrest.

Lindsay explained that applying CPR and using an AED can dramatically improve a patient's chance of survival, by up to 40% — but every minute without action reduces those chances. The session included clear instructions, demonstrations, and encouragement for everyone to get involved.

Attendees left feeling empowered, knowing they could make a real difference in an emergency. A big thank-you goes to Lindsay Roberts for sharing his knowledge, and to everyone who attended to learn these vital skills.

Margie van Staalduin

The three key steps are:

Calling 111

— getting emergency help on the way immediately.

Starting CPR

— keeping the heart and brain supplied with oxygen until help arrives.

Using an AED (defibrillator)

— delivering a controlled shock to restart the heart if needed.

NOTICE TO ALL MUSIC LOVERS

Music in the Pavilion

Wednesday mornings 10-12pm

Get rid of the winter blues and join me every Wednesday morning from 10 - 12 noon in the Pavilion. I have thousands of songs on my hard disc and will play music from some of the world's best artists to cheer you up. Classical, Popular, Jazz, Klezmer - it's all there for you. Stay as long or short as you like. I can play **your** favourites as long as you can remember the title.

John Van Dolleweerd

Can't make Wednesday mornings?

The Care Centre has John playing his music in the Main Lounge or Atrium (if the weather is fine) on a Thursday from 3.30 to 4.30pm.

We all love your pooches but no one enjoys stepping in little "surprises." Most of you are wonderfully responsible and always pick up after your dogs. Every now and then though, I still find dog poo in my front garden. So, if you're out walking your dog, please keep an eye on them and help keep our area clean for everyone.
