Deadline for Dorpskrant
24th of the month.

Hi de Hi everyone

After a very wet and stormy Christmas and New Year, it is a real pleasure to finally enjoy some proper summer weather. The sunshine and calmer days, make a welcome change and lift everyone's spirits. By now most villagers have had the chance to spend time with family and friends, and the busy holiday period has come to an end.

As we move further into the new year, village life is slowly returning to its familiar rhythm. February sees most activities starting up again after the summer break, giving us plenty of opportunities to socialise, stay active, and enjoy each other's company. It is always lovely to see familiar faces returning and new ones joining in.

We would like to encourage more villagers to consider joining the line dancing group. It is a friendly and relaxed activity, suitable for all levels, and a great way to keep moving while having a laugh together. New participants are always very welcome.

Looking ahead, there will be a BBQ combined with a happy hour on Friday 13th February. This promises to be a pleasant social occasion, so keep an eye out for more information further down in the Dorps Krant.

With the fine weather upon us, this is a wonderful time to enjoy the outdoors. Perhaps take a walk with a friend or neighbour, sit outside with a cup of tea, or simply enjoy the summer atmosphere around the village.

Wishing you all a very good month, filled with sunshine, good health, and happiness.

Margie van Staalduinen

KASPER ISEDORUS KONING

26 July 1934 – 17 Jan 2006

Kasper Koning, Villa 14, passed away suddenly on the 17th January.

Kasper's family would like to thank everyone at the village who contributed to his sense of place and community. He will be remembered sitting out the front of his villa every morning eating breakfast, sometimes with his daughters Justine and Yolanda, always with a wave and open to a chat. He had a warmth, wit and charm that made him easy to get on with. Kasper loved his routines and his daily walks, Friday night Yahtzee and 3 weekly card games. He was also a keen adventurer and in days gone by enjoyed campervanning, nature hikes and ocean swims. His positive disposition, world-wide views, deep intellect, open-mindedness, considered point of view and level headedness alongside his cheeky nature will be sorely missed by all.

A memorial will be held in his honour in March. Date, time, place to be confirmed.

Welcome to "Ons Dorp"

Introducing our new villager

Regina van der Sluis, who has moved into villa 15

IN LOVING MEMORY REX BUCKBY

In memory of Rex Buckby, whose funeral was held at Henderson Baptist Church on 8th January. His family and many friends from Ons Dorp and church attended to support Colleen and to celebrate Rex's life of nearly 80 years. Rex and Colleen moved into villa 25, eleven years ago, although health problems meant the last two years of Rex's life were in the Care Centre, where he was so well cared for. Colleen wants to thank all involved in his care over this time.

When they first moved to Ons Dorp, Colleen's Mum and Dad were living in the village already, so the whole family felt at home quickly and were able to settle quickly into

village life. Rex always loved tramping and reading books so he enjoyed these activities whenever possible.

Ships were his passion, working for P&O for 42 years before his retirement. He and Colleen loved to spend time cruising whenever possible. Travel for Rex meant lots of time in ports, and taking hundreds of photos of ships.

Carol & Trevor Bassett, Elizabeth & Donald Jenkins shared several cruises

exploring the world with Colleen & Rex, and we have many great memories of our times together.

12 November 2025

Everyone at the Care Centre were treated to a wonderful cake to celebrate with Bob & Kathleen.

GRAHAME ARTHUR LANGFORD

24 January 1936 – 13 December 2025

Born in Manchester, Grahame's family was evacuated to Wales during the war, where he attended a Welsh speaking school. He returned to England to finish school, and then served 2 years in the Royal Navy, under the compulsory military scheme of the times, where he travelled around the world.

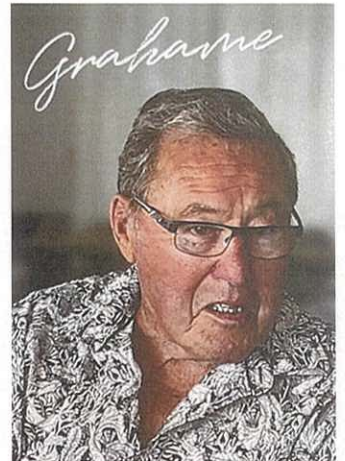

After his service ended, he was again in England, where he trained as an industrial chemist, and also married. This work led him to a job offer in Auckland, at Rosebank Rd, Avondale. They settled and raised their family in nearby Blockhouse Bay.

Grahame readily embraced the NZ way of life, with football, running (did the London marathon at age 50), diving, boating, fishing and cycling.

After he and Maureen married, they moved to Brisbane where he established a business supplying steel fibre reinforcing to the concrete industry. Five years later when they returned to NZ, and Grahame brought this business back with him. When Grahame was 63 he and Maureen did the Milford Track and ten years later they biked the Otago Rail trail together.

Always a lover of music, he took up Barbershop singing with the Auckland City of Sails choir, and some years later became a member of the Auckland Welsh Choir, where he remained a member until recently. At his funeral service some members of this choir sang a song in Welsh, one that he himself had sung with them many times.

A very welcome addition to the Care Centre

Dog owners, a reminder to you from one of our villagers...

TO ALL DOG OWNERS

Please ensure all dogs in the village are controlled and kept on a leash at all times. This also applies to visitors who bring their dogs into the village.

On 2 occasions within 1 week - a resident and her dog (on leash) were out walking (as are the requirements), when on both occasions two dogs rushed out of their respective properties and attacked the dog.

One was a resident's dog and the other a visitor's dog.

It was a frightening experience for both the owner and the attacked dog.

Please abide by the rules of the Village.

Thank you for your co-operation
