

Grapevine

Happy 2026!

May this year bring you immense joy, good health, and prosperous new opportunities.

Embrace the fresh start with courage, creating unforgettable memories and achieving all your goals.

Here's to a bright, peaceful, and successful 2026 filled with laughter, love, and endless possibilities.

From the desk of the Village General Manager

I would like to wish all Residents in the Village a happy 2026!
I hope it brings you lots of happiness and good fortune over the coming year.

2025 Ons Dorp Village Residents Annual Satisfaction Survey Results

Many thanks to the 62 (55 percent) of Residents in the Village who completed and returned the Survey. The overall positive results of the Survey and comments/suggestions do provide us with helpful feedback on services within the Village, indicating any areas which need improvements. If you would like to see the Survey Results, Russelle has done an excellent job in presenting the summary results in a easy to read folder which can be viewed at Reception.

Appointment of new Village Maintenance Coordinator

After 23 years of very loyal and hard work in the role of Maintenance Coordinator Peter van Ham is retiring on Tuesday 31 March 2026. I'm sure that many Village residents would like to join me in sincerely thanking Peter for the significant and lasting contribution that he has made to the overall maintenance and wellbeing of the Village. The new Maintenance Coordinator is Ryno Meyer, who some residents will already know as Ons Dorps contracted Electrician. Ryno (who has previous maintenance work experience) will start on Monday 2nd March, working with Peter as a handover period.

Annual GM visit to Resident Villas

During the months of November and December 2025 I visited all residents who wished to have a visit from me. It was very nice to see you all and thank you for your kind hospitality. From those visits I followed up on a number of Villa maintenance and gardening requests, also encouraging residents to use AccessMaps (formerly Skillet) to log Maintenance or Gardening jobs.

Villa sales/refurbishments

As I mentioned in the December Grapevine our "Boutique Garden Village" continues to be viewed/popular with prospective buyers seeking a non-apartment option in comparison to other Retirement Villages. We have a new resident who has just moved into Villa 15 and Villa 9 is due to settle in February 2026. Villa 20 is under contract with Villa 63 under negotiation. Villa 62 is in the process of being refurbished and should be finished early March 2026.

Roofing/Gutter repair work on Villas

Required roof and guttering replacement work (weather permitting) on Villas by Laser Plumbing Te Atatu is continuing to be done. Thank you for your patience/understanding where roofing and guttering materials are temporarily placed on front/back gardens prior to being installed on Villa roofs.

New Sensor Lights

As mentioned in the last few Grapevines if you do not have sensor lights in your back garden call Reception so we can add you to the list for our Electrician to install at no cost for your Villa.

Gary Williams, General Manager

REMINDER

TO ALL RESIDENTS & VISITORS

Do not visit or ask to view any Villas that are in the termination phase or being refurbished (Health and Safety). Any Villas vacant will only be ready to view when the refurbishments have been completed, and a viewing is booked with the General Manager.

▲ In December 2025 Residents were treated to a morning of donut decorating with the team from the ASB & St Johns, who donated their time and donuts! A big thank you!

Library Books

Many residents in the Care Centre and Village read our **Auckland Library** books that are picked-up once a month. All the books now have a bookmark with a due by date. Take note of the **due by date** so the book can be returned on time.

PLEASE NOTE, books that are not returned and cannot be found have to be replaced at a cost to the Care Centre. This replacement cost can be quite expensive. Please make sure Reception has all these books **before the due by date**.

Great sights & fun!

Residents were happy when the bus trips started on Tuesday, January 6 and Friday, 9th 2026.

These bus trips for residents had beautiful sunny weather and ventured to Muriwai. Thanks to Marian Sosna driving, residents are able to go out fortnightly on a Tuesday. Care Centre staff take residents weekly on a Friday.

Be Internet Savvy

When you are on a website, think before you click. Especially on unsolicited emails or pop-ups. If you don't know about it, don't do it. Trust your instincts if something seems suspicious.

There maybe hidden extras — such as fees & other costs when you purchase something on a website, such as a subscription offered.

*Remember the **Too Good to be True** rule!*

Be wary, and always check your bank transactions regularly to spot any discrepancies.

If you need more information ask at reception for the **Little Black Book of Scams**

— keep yourself safe and up to date.
