June 2026 Issue

**KING'S  
BIRTHDAY  
CELEBRATION  
DINNER**  
1 MAY 2026 IN THE  
PAVILION

The celebrations kicked off on the morning of 27th April, the actual birth date of the King, with a showing of Dutch flags outside many of the villas. The beginning of the celebration at Ons Dorp.

CONTINUED ON P2 ►

On Friday the 1st of May the flags appeared once more ready for the evening, and our village came together to celebrate. We all gathered, sporting the orange colour in so many ways. At 5pm Margie stood to address the significance of the occasion, while on the large screen were videos capturing past views of royal ceremonies with walkabouts.

“**Lang  
leve de  
Koning!  
Hoera,  
hoera,  
hoera!**”

Voices uplifted both in Dutch and English to pay homage to King Willem Alexander. Then the talking began, while Don and Brian served drinks. It was good to see some 90 people had turned out for the occasion.

After 5.30 the tables were called one by one for those seated to collect their meal from the servers. The most acceptable bami and nasi goreng plus egg foo yung. The familiar duo of "Songs of Europe", Eric and Brian provided entertainment while the eating commenced.

Once plates were cleared, the desserts were delivered to the tables by committee members. Sadly, at this point I had to attend a 7pm video call from a family member in Europe. Then, as I sat at home, I could hear the happy voices of the villagers as they left at intervals to head home. No doubt with that ideal

music - some of the attendees would have danced in the space available.

Another great social time with a good turnout of 90 persons for one of the village's major events. Many thanks go to the Social Committee, and partners, who worked to provide us with another well set up happy and memorable occasion.

**Long Live the King!**

Deadline for Dorpskrant

24th of the month.

Aren't we the lucky ones this month of May! We have been spoiled with beautiful sunshine, and although the mornings and evenings are feeling cooler, the days themselves have been very pleasant indeed. It certainly makes village life enjoyable when the weather plays along.

May started off in true Dutch style with our wonderful King's Birthday celebrations. Over 90 villagers joined us in the Paviljoen for a lovely evening together. The orange decorations looked festive and cheerful, the tables were beautifully set, and everyone enjoyed a delicious dinner of Bami, Nasi Goreng and Egg Fu Young. It was wonderful to see so many happy faces enjoying good food, friendship, and gezelligheid (Coziness) together.

Another successful event this month was the Dutch Embassy pop-up desk for passport renewals. Many villagers made use of this opportunity, and we are very pleased with how smoothly everything went. We look forward to working together with the Embassy again in the future.

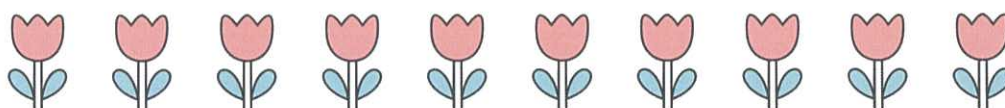

Now we are already looking ahead to our Mid-Winter Dinner, with music by the ever-popular Jim Joll. Please check this issue of the Dorpskrant for all the details and dates — it promises to be another lovely social evening together.

And now, something on a more personal note. Many of you have seen me walking around the village lately. My hip replacement took place on the 11th of May and was very successful. I am happy as Larry and feeling great — and from here on things can only improve. My walking certainly already has!

I will be away for most of the winter months, and Antonia Aarts will kindly take my place while I am gone. I will still try to write a few articles for the Dorpskrant from Bali, so hopefully you will hear from me now and then from warmer shores.

In the meantime, I wish you all warm and cosy winter months ahead. Don't forget to invite a neighbour or friend in for a cup of tea or coffee — especially during the cooler days. A little bit of company and kindness goes a very long way.

Warm regards,  
Margie van Staalduinen

HUBERTA  
"Bep"  
BUS

Bep passed away peacefully on Sunday 12 April surrounded by her family. Although Bep was a private person, she will always be remembered at Ons Dorp as the "Flower Lady".

## Van trips to the Naval Museum, Torpedo Bay

This turned out to be a very popular outing and there were enough bookings for two trips. We were very fortunate to have two glorious days for our visits. The museum detailed the history of the New Zealand navy. There was also a wall hanging of 1500 knitted and crocheted poppies in remembrance of those seamen who lost their lives in the wars. Following this we refreshed ourselves in the adjoining cafe which was pleasantly quiet and had a view over the harbour of the city skyline.

Our driver Marian Sosna drove us to some of the North Shore beaches, and then on the way home took us to see the four new railway stations around the city which will cater for the new underground trains services which may be open in August.

Next Market 26th June

Dear Villagers,

After my request in last month's Krantje for any suitable DVD's, which residents may have and I could borrow for screening, I did receive an interesting DVD, called "DE BRUG".

This movie is about a bridge to be constructed across the river Maas in Weerde (NB), just prior to the second world war

This Dutch spoken movie, without subtitles is therefore only suitable for those Villagers, who are able to understand Dutch.

However, everybody is free to watch. The screening time of this movie is approx. 400 min and requires at least 4 evenings to watch the whole movie.

I am happy to screen this on four subsequent Wednesday evenings, but only if there is interest of at least 10 people.

**Please advise your interest to watch by phoning Roelof 8381017, to commence on a to be advised date in July/August.**

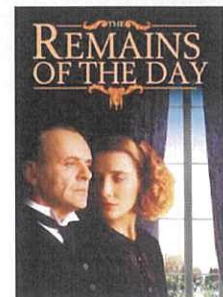

Looking forward to many replies, your operator
