Labour Day

(PUBLIC HOLIDAY)

Monday : 26 October

NZ Labour Day

Labour Day is an annual day of celebration of the achievements of workers. It has its origins in the labour union movement, specifically the eight-hour day movement, which advocated eight hours for work, eight hours for recreation, and eight hours for rest.

For most countries, Labour Day is synonymous with, or linked with, International Workers' Day, which occurs on 1 May. For other countries, Labour Day is celebrated on a different date, often one with special significance for the labour movement in that country. Labour Day is a public holiday in many countries.

From the desk of the Village General Manager

Ordinary / Special Voting for the General Election in the Atrium on Monday 2nd November

Hilda Bloomfield Glendene Electorate Manager recently met with myself and the Clinical Manager. It has been agreed that Glendene Electorate staff will set up a "polling booth" (open 9.30am to 12.30pm for **Ons Dorp Village Residents only**) in the Atrium on **Monday 2nd November** at which residents living in the Care Centre and **all Residents living in Villas in the Village can cast your vote (Ordinary or Special Vote)**, to avoid queues on the "General Election" day **Saturday 7 November**. For those residents who are not free to cast their vote on 2nd November, I am waiting for written confirmation from Hilda of the nearby "Advanced Polling Places" where residents can cast their vote before Election Day. As soon as I have this information a "Special Notice" will be distributed to all residents advising you of this.

Successful visit by new Netherlands Ambassador

Her Excellency Jacqueliën Nienhuis the new Ambassador for the Kingdom of Netherlands visited Ons Dorp on Wednesday 23 September from 2pm to 3pm. She was warmly welcomed by residents/guests (approx. 85 in attendance) at the Beatrix Pavilion where she gave a speech. Following this the Ambassador mingled amongst residents over a delicious afternoon tea while the live music duo "The Sounds of Europe" played. This was a lovely event for the Village and we look forward to future visits by the Ambassador.

Upgrading /repairs to Village Van lift

West Engineering Ltd have installed the new sensors on the refurbished Van lift as well as removing any rust on it. With the earlier work done by Quality Touch Paint Ltd to remove any rust patches, scratches and dents on the Van it now looks in very good smart condition. The Van is now fully operational and ready to be used for outings/trips by all Village residents and the Care Centre residents.

Villa sales/refurbishments

Villas 72 and 40 now have unconditional agreements on them while Villa 63 has a conditional agreement on it. We are still completing the refurbishment work on Villas 58 while Villas 29 and 32 while seeking buyers for them.

Electronic Barrier Arm Installation

The Barrier Arm (goes up at 6.30am in the morning and down at 7pm at night – changing to 8pm when daylight saving starts on Sunday 27 September 2026) has been operating well. The Sensors on the Barrier Arm have been adjusted so that it should automatically go up at a metre or more before a vehicle approaches the Arm.
